All images portrayed in this brochure should not be reproduced without specific written permission. Images, designs and colours are for illustrative purposes only and may differ when manufactured. We reserve the right to amend or withdraw any products within this brochure without prior notice. Door colours shown in this brochure should be used for guidance only. We have made every effort to match the colour and stain you see in the brochure so it's as close as possible to our paint when applied to the doors. Due to the nature of the product it is applied to, there is sometimes a difference between them which we cannot avoid. The colour, intensity and sheen level may differ from the paper print version and we do not accept any liability for this for whatever reason. To ensure that you are getting the right colour on your door, you can order colour swatches from your supplier.

SECURITY OPTIONS

SensCheck™
Door and Window Sensors

Trusted
every day

As standard, Portico Composite Doors are smart compatible with SensCheck™ from Yale

Yale SensCheck™ sensors put you in control of your home security. Check if your door is open, closed, locked or unlocked.

Receive notifications and tamper alerts straight to your smartphone.

Receive a chime notification when a window or door changes status

Geo-fencing alerts mean you'll receive notifications on the Yale Smart Living Home app if you have forgotten to secure your property

Easy Set-up
